Arcade / Entertainment System Sales Rep

Description

The Sales Representative will ensure high levels of customer satisfaction by accurately assessing clients' needs and delivering excellent sales service. Moreover, the Sales Representative will visit prospective clients, suppliers, trade shows, and seminars door to door in order to reach out to a wider range of clients and increase the Company's brand visibility.

Responsibilities

This employee will negotiate with potential clients interested in purchasing or renting Uplay's entertaining machines for a number of purposes.

The Sales Representative will also focus sales efforts by studying the existing and potential volume of suppliers and will monitor competition by gathering current marketplace information on pricing, products, and delivery schedules of each entertaining machine.

- Sell door-to-door.
- Make cold calls.
- Meet with prospective clients.
- Market products to new and existing customers.

Qualifications

- Must have valid driver's license
